Our Web Beacons are not used to track your activity outside of our Website. We do not link NPI from Web Beacons to PII without your permission.
Website Privacy Policy

Automatic Information
We automatically receive information from your web browser or mobile device. This information includes the name of the website from which you entered our Website, if any, as well as the name of the website to which you are headed when you leave our website. This information also includes the IP address of your computer/proxy server that you use to access the Internet, your Internet Website provider name, web browser type, type of mobile device, and computer operating system. We use all of this information to analyze trends among our Users to help improve our Website.

How Information is Used
We use PII that you provide for our internal purposes, such as offering our services to you; analyzing statistics and demographics; and informing you of new products, services, and offers as provided by us.

We may also combine information you give us online or through printed forms; publicly available information; and information we receive from other parties. We use this combined information for your online experience to let you know about services.

To give you the best possible service, we may use our affiliates to provide contracted services for our business, including, but not limited to processing credit cards, hosting our website, shipping products to you, or advertising. In many cases, we will need to provide some if not all the PII you provide to use so our affiliates can perform these services. Our affiliates are only authorized to use your PII as provided within this Privacy Policy.

There are times that we may have to disclose your PII to comply with state and federal laws; to assist law enforcement and governmental agencies in preventing or investigating fraud or other crimes, or in response to a court order. In such instances, we will only provide the PII requested and your PII will only be used for legal purposes as opposed to marketing.

Finally, if we sold or transferred our business, we would transfer your PII to the purchaser as appropriate and might also retain a copy of your PII for any new business ventures we would start.

Changing Your Information
You may change your PII at any time using facilities found on our Website. If you need assistance with updating your PII or removing yourself from our mailing lists, just send us an email with your request or contact us using the Contact us information found on our Website.

Opting Out of Sharing Information
You can always opt out of future unaffiliated third-party disclosures of your information. Such opt-out will not affect disclosures otherwise permitted by law including but not limited to: (i)
disclosures to affiliates, (ii) disclosures to third-party service providers who provide certain services for our business, such as credit card processing, computer system services, shipping, data management, or promotional services, (iii) disclosures to third parties as necessary to fulfill your requests, (iv) disclosures to governmental agencies or law enforcement departments or otherwise required to be made under applicable law, (v) previously completed disclosures to third parties, or (vi) disclosures to third parties in connection with subsequent contests or promotions you may choose to enter, or third-party offers you may choose to accept.

Our affiliates and we fully comply with the federal CAN-SPAM Act. You can always opt out of receipt of further email correspondence from us or our affiliates. We will not sell, rent, or trade your email address to any unaffiliated third-party without your permission.

Our Security Policy
We have taken steps to build our Website using sophisticated encryption and authentication tools to protect the security of your PII. When we collect your PII through our Website, we will encrypt your PII before it travels over the Internet using industry standards as establishing for conducting secure online transactions. We also use industry standard technologies such as secure routers and fire wall to make sure that your PII is safe. Unfortunately, we cannot fully guarantee secure data transmission over the Internet because of its nature.

Once we receive your PII, we have industry standard security measures in place to protect against the loss or misuse of your PII, though again, we cannot fully guarantee against such loss or misuse.
Website Privacy Policy

We strongly urge you to protect any password/Personal Identification Number (PIN) you may have for our Website and not share it with anyone. You should always log out of our Website when you are done using it, especially if you are sharing a computer with someone else or are using a computer in a public place.

Use of Credit Cards
You may have to provide a credit card to pay for services from our Website or make a payment on an existing product. We use a third-party billing service and HAVE NO CONTROL over these services. We use our commercially reasonable efforts to make sure that your credit card number is kept STRICTLY CONFIDENTIAL by using only third-party billing services that use industry-standard encryption technology to protect your credit card number from unauthorized use. However, you understand and agree that we are in no way responsible for any misuse of your credit card number.

Changes to Our Privacy Policy
As necessary to address changes in laws or our business practices, we may modify our Privacy Policy, in whole or in part, to address these changes. We will typically notify users by some message on our Website home page that our Privacy Policy has changed. We will also change the "Last Updated" date at the beginning of this Privacy Policy. Any changes we make to our Privacy Policy are effective as of this Last Updated date and replace any prior Privacy Policies. We encourage you to review our Privacy Policy periodically to make sure you still agree with it.
